Alma Mater Song

Lyrics adapted 2006 by UB students

Melody 1903 by Walter S. Goodale, Medical School 1903
Arrangement 1905 by Henry S. Hendy

The pride of our spirit and tradition,
Our friends we've made with ties that bind.

We'll ever keep our standards high,
Alma Mater's truth and name declare.

Sing UB's praises to the sky,
Union of our spirit, heart and mind.

Celebrate our history and wisdom,
Gather we'll continue life's journey.

Our education, finest education,
O
Alma Mater Song

let us all prepare to sing her glory.
knowledge we impart unto the nations.
may dear Buffalo forever be.

CHORUS:

To Buffalo all hail to thee,

Noble and strong it's our university! To
blue and white pledge loyalty, Singing

I will always remember thee!
